From the Principal's desk

Barasat Government College has been accredited with Grade 'A' by NAAC in the assessment held in January 2016. The college has also been awarded by the Department of Science and Technology, Government of India for the DST-FIST programme. This has made the college one of the earmarked colleges of this region.

The college, which had a humble beginning in 1950, has gained impressive achievements from different grounds in recent years. It has addressed the changing demands of the students by adding new subjects and upgrading departments to the post-graduate level. CBCS has been introduced from the academic session of 2018-2019.

The college strives to pursue its vision to inculcate knowledge and power in the minds of the younger generation in order to participate in the development of the Nation, adding to its welfare, progress, and security. It also strives to achieve its mission of imparting holistic education and prepare students for national and global needs.

ABOUT THE SOCIAL SCIENCES & HUMANITIES DEPARTMENTS

DEPARTMENT OF BENGALI :

The Department of Bengali is a culturally vibrant post-graduate department which conducts both UG and PG courses. Besides the regular classes the department organizes invited talks from distinguished scholars, seminars, conference and film shows. Ayudh is the department's Wall Magazine & Bangla Bivagiyo Patrika is the Annual Journal.

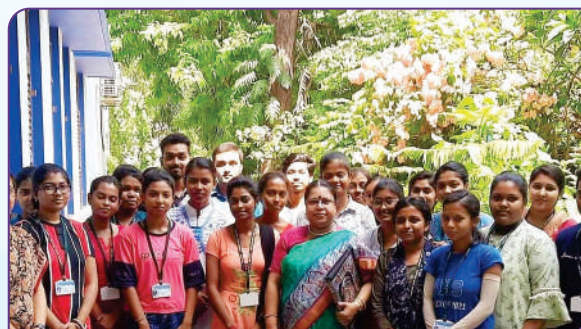

DEPARTMENT OF ENGLISH :

It is a happening department which employs audio-visual supports in class room teaching and encourages student-participation through seminars, class discussion, debates and quiz sessions which help students to overcome the language barrier and increase proficiency in English. Open Window is the department's Wall Magazine which finds contribution from both present and past students. The department also has a language lab.

DEPARTMENT OF SANSKRIT :

The Department of Sanskrit was established in the year 1950 and the Honours course commenced from 1976. The department keeps alive an interest in the classical language and literature.

DEPARTMENT OF HISTORY :

The department offers Honours and General courses since 1950. Seminars, discussions and educational tours are undertaken to further the interest of the students in the subject. Itihas Jaan is the regular Wall Magazine of the department.

DEPARTMENT OF PHILOSOPHY :

The department offers both Honours and General courses and organizes special lectures and discussions regularly.

DEPARTMENT OF POLITICAL SCIENCE :

The department is functioning since the inception of the college and offers both honours and General courses. Film-shows are a regular mode of teaching to illustrate political situations.

ABOUT THE SCIENCE DEPARTMENTS

DEPARTMENT OF PHYSICS :

The Department of Physics was established in 1960 and introduced PG courses in 2010. The department has three Honours labs, one Pass lab and three PG labs along with a computer lab. In addition to teaching most of the faculty members are engaged in different research projects.

DEPARTMENT OF CHEMISTRY :

The department began with offering B.Sc. general course in 1961 which was further upgraded for teaching Honours in Chemistry in 1967. The department is enriched with well-equipped laboratories and e-classrooms. Students of the department have also ranked in JAM and other All India Examinations.

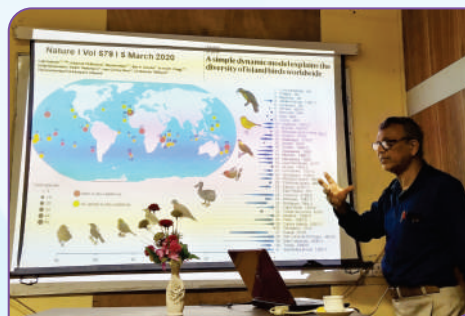

DEPARTMENT OF BOTANY :

The department was established in 1978, which was upgraded to Honours level in 1996, and post-graduate status during 2003-04 with academic autonomy in 2004-05. The department is well equipped with laboratories for both UG and PG students. The departmental wall magazine is Life-o-Live.

DEPARTMENT OF ZOOLOGY:

The Department of Zoology was established in 1996 and upgraded itself to post-graduate status with academic autonomy in 2009. The department has well facilitated laboratories and two digital e-classrooms. The teachers act as principal investigators in central and state-funded projects and provide guidance to research scholars pursuing their Ph.D degree. In 2016, the department has been awarded DBT BOOST II for three years for infra-structural upgradation of research laboratories.

DEPARTMENT OF MATHEMATICS:

It is a young and dedicated department, which teaches Pure and Applied Mathematics at both Honours and General Level.

DEPARTMENT OF ECONOMICS:

The Department keeps alive an interest in studies in Economics and Culture in this region. The subject is offered at both General and Honours levels.

DEPARTMENT OF GEOGRAPHY:

The department of Geography was established in the year 1996. It provides training in the practical modules of the course curriculum to help understand the natural environment, physical forces of nature and biodiversity. The laboratory cum store has a wide variety of instruments available for the students. The Maps section is a store house of a wide collection of topographical maps, aerial photographs and satellite images. The Department also has a modern survey instrument like 'Total Station'.

CENTRAL LIBRARY

SUPPORTING STAFF

◆ Sri Jyotirmoy Roy

◆ Sri Sudip Kumar Ghosh

◆ Smt. Ratna Baraik

The central library of the college houses more than 90,000 books and subscribes to about 20 journals. The computerization of the library is done by using KOHA - a versatile and user-friendly open source software. The library subscribes to the membership of N-LIST consortium of INFLIBNET through which the members of the library can access e-journals and e-books available under the consortium through the internet. The Library allows home lending of books, reading room facility and reference services. Photocopying facility for postgraduate students is also available. Apart from the central library, there are seminar libraries attached to all individual departments.

Library Cards : The College library provides book lending cards to its students which enable them to borrow books from the library. Two library cards are issued to each newly admitted 1st year degree student after showing the college Identity Card and Admission Receipt.

Renewal of Cards : Students, moving to 2nd/3rd year degree classes, are required to renew their Library Cards.

Issue of Books : A degree student may borrow 2 books at a time, for a period of 15

days.

Overstay Fine : A student, keeping a book beyond 15 days without renewal, will be charged a fine. Details can be found on the back of the Library Card.

COLLEGE OFFICE

COLLEGE OFFICE : The college office is partly computerized. The Accounts Office takes care of students' fee collection, daily accounts, maintaining Cash Book and similar affairs of the college.
